**PROCEEDINGS**

Case Management Conference conducted via videoconference. The Court updates counsel on the District's trial schedule. Trial on 9/27/2021 is unlikely. The Court will not yet vacate the date in hope that there is a radical change; by the end of the week an official notice will be posted either vacating the 9/27/2021 trial or advising counsel that the trial will proceed on that date. The viability of the backup date of 10/12/2021 is unclear, but the Court will provide information as appropriate.

Jury instructions and current COVID protocols discussed.

**Further Case Management Conference set for September 21, 2021 at 2:00 p.m. via videoconference.**
